Subject: FATHER SEE THE CONSTRUCTION:

Dear Father,

I greet you, my mother in the mighty name of our soon coming King Jesus Christ. We say thank you, my mother mother Evans, and your ministry. The area we are located is close to the sea and again because of the sea erosion, we have paid for a seven room concrete building to one madam Assatu Sidibey who said that the property is for her late father Mr. Sidibey.

We have started the work on Wednesday after I received the money. She charged us fourty five thousand five hundred Liberian dollars (LD\$45,500.00) equivalent to six hundred and two United States dollars (USD \$600.2). There are br

I was supposed to have email since we started the operation I'm the one holding the shovel and in the white t shirt. I will send you more information after the completion, we will need eight bundles of zinc, plank, and nails.

I spoke with mother Evans two days ago.

The money you send us we have to pay the worker the car you seen there is the township commissioner car we carry him there because in Liberia, people can sell places, and land to four to five person it always bring noise. At the end you can end it up in the court so we send for him to be present. The baby picture you seen there is my baby I name her after my mother mother Evans. Please assist us with the lap top.

I'm presently in the internet cafe now sending you the message.

hope to hear from you soon.

Thanks
Your Son
Bro. Francis L. Roberts
