

## Florida Testimonies May 2016

Prayed for a woman with a headache and while she was being healed another woman's headache was healed as well. Praise God!

Was able to pray for a woman who came up to me asking for her blood sugar to be healed. We laid hands on her and commanded a new pancreas. For her blood sugar and a1c numbers to be normal. For there to be no diabetes in her body. She was overwhelmed in the spirit and had to sit. Holy Spirit presence was all over her. Thank you Jesus for giving her a new pancreas.

Wednesday evening at a church service one of the women hurt her ankle sometime that day and it was red and painful. I asked if she wanted prayer and grabbed her ankle commanding complete healing for all the muscles ligaments tendons nerves and blood vessels to be healed. For all pain to go in Jesus name. Later that evening she called over to me to tell me her ankle was fine. Thank you Jesus.

Before the meeting one of the members was complaining about his swelling and arthritis in his hands and all throughout his body. I asked if I could pray for him. He said yes and gave me his hands. I grabbed both and bound the spirit of arthritis and pain and cast them out. He felt better but I know that was more healing was being done.

At the end of church a woman came up to me asking for prayer for her husband. I went over to the husband and ask what he needed prayer for he said his right knee was painful when he walked. I asked permission to lay hands on that knee and I knelt down and put my hand on it commanding full restoration of the muscles ligaments tendons and nerves and that knee. I continued to pray commanding pain to go. Then I asked him to walk a little bit. When he came back he said it felt much better. I laid my hand on his knee again and he could feel warmth in his knee. I explained that that was the Holy Spirit working on healing his knee. I told pain leave once again and had him walk some more. His knee was fine. Praise Jesus for it is He who gets the glory.

At the computer club I noticed a man with shaking hands and asked if I could pray with him. He said yes and we prayed for a complete healing in Jesus name.

I had a word of knowledge about a headache. A woman came forward and with a quick prayer the headache left and she was touched by Holy Spirit.

A young woman came up to me for prayer. She had a knot in the right shoulder that was

causing discomfort and pain up through her neck. I laid my hand on the shoulder and the knot. It was a persistent prayer and the knot was released. Praise Jesus.

Man and his wife sat down and both were dealing with diabetes. He had sleep apnea and she was not able to rise from her chair without help. Prayed for both and for God to strengthen her legs.

I prayed for another woman about sugar and eye aches.

Another couple came and he had had surgery that removed most of his colon and intestines. In Jesus name I commanded new intestines to replace what was removed. And we cast out diabetes in the wife.

A woman came with lower back pain and cataracts. After praying for her back I had her get up and walk. No more pain.

Another woman had bursitis, arthritis, and sciatica. We laid hands on her and all pain was gone.

Another woman had sleep issues, arthritis, and tooth pain. We cast out arthritis, spoke to the sleep issues and commanded the pain in her mouth to leave.

Commanded a new thyroid in another woman.

Prayed for a man who was thinking about knee replacement, After laying hands on his knee all pain and a clicking stopped. Saw him later in the day and he was still without issues.

A woman whom I prayed with earlier came back to me for prayer for her eyes. She was blind in her right eye and in early stages, according to the doctor, of glaucoma in the left. Laid hands on her eyes and cast out the spirit of blindness and commanded full restoration of sight in her right eye and for glaucoma to leave and the fluids and pressure in that area to be normal. Thank you Jesus for using me this morning. Thank you for healing all these people.

On the way out of service I was stopped by a woman who had recently had a bike accident. Among other issues her right shoulder was giving her pain and she was unable to lift her arm very high. I laid hands on that shoulder and commanded full healing and for all damage from the accident to be restored. After a couple of prayers

she was able to lift that arm high. Thank you Jesus!

I was asked to lay hands on a womans neck for healing of pain and headaches. Thank you Jesus for using me in healing today.
