Woman with pain in her right elbow. With permission I placed my hand on her elbow and commanded the muscles, ligaments, tendons, and nerves to be healed and for all pain to go. After a short while I had her bend her arm and all pain was gone.

A man was having hearing issues and had been up for prayer in the past. He said his hearing was getting worse. I placed my hands on both of his ears and commanded the spirit of deafness to leave. I commanded complete restoration of his hearing and for all the parts of his ear healed. Then I whispered to him in a noisy room. He heard me fine and had a big smile on. Thank you, Jesus.

An elderly woman had fallen a while ago at her condo and was still experiencing some pain. I held her hands and commanded full restoration and for the pain to go. Thank you, Jesus.

A man was having trouble swallowing. I laid my hands on his neck and commanded whatever was causing the issue to be gone. He told me it was something to do with signals from his brain. I placed my hands on his head and commanded complete healing of the brain. In Jesus name.
