

# Testimonies September 2017

Prayed with a young man who came to me because his left shoulder was in pain. I had him stretch his arms out and saw that one arm was an inch shorter than the other. In the name of Jesus, I commanded the arms to be even and within seconds it happened. Then I commanded all pain to go. He lifted his arms and all pain was gone. Praise God, Woman with pain in knee. Grew out legs. Pain left. Man with pain in both shoulders. Grew out arms. Commanded pain out. Commanded arthritis out. He raised his arms. Pain gone.

Woman with type 2 diabetes. Commanded diabetes out. For pancreas to be kick started to produce the correct amount of insulin. For sugar levels to be normal. Could see Holy Spirit evident all over her. Thank you Jesus.

Prayed for a woman with pain in right elbow. Could not lift arm behind her head. Commanded pain and arthritis out. Pain left and she could move the arm behind her head.

Laid hands on a man with hearing issues. Commanded The spirit of deafness out and for him to be able to hear all frequencies.

Commanded anything not of God out of a young woman. Could sense a release in her. Praise God.

Jaw pain in a woman asking for prayer. One simple command and the pain was gone.

Woman with what she thought was a spleen issue. Had her lay her hands on the area and as I placed my hand on her hand I commanded complete healing. And for all pain to go. Thank you Jesus.

Another woman with pain in her knee. Three of us were praying for her. I placed my hand on her knee and commanded the pain and whatever was causing the pain to leave. As she arose and walked a little all the pain left.

I had a word of knowledge about someone with a toothache. Turns out one of the praise group was having pain in a wisdom tooth. With permission I laid My hands on her jaw and commanded the pain to go. She opened and closed her jaw and the pain was all gone.

Young man was asking for prayer because he was having trouble sleeping at night. He said his brain would not shut off. I suggested ways for him to pray before going to bed and to keep a tablet by the bed to write thoughts down. Then I commanded anything not of God causing him to not be able to quiet down and get to sleep to leave in the name of Jesus.

Woman with a left shoulder that had limited motion asked for prayer. Jesus grew out her arms about an inch. As that was happening I commanded her shoulder to be healed and for all pain to go. She moved her arm and had a wider range of motion. We prayed again and her shoulder was restored.

As I was walking around the room I felt led to a man with hearing problems. I had prayed for him before. I commanded that his ears be healed. That He would hear all frequencies. And that the spirit of deafness would leave. Later that evening he came up to me and said when I left him everything sounded louder.

There was a woman with a pressure spot in her back on the left side. With permission I laid my hand on the spot and commanded healing. It moved to the other side. Commanded it to leave her body in the name of Jesus. It left.
