

# Testimonies February 2017

Cast out a spirit of infirmity and death. Called forth a creative miracle. A new kidney. Thank you Jesus.

Friday at the Y I noticed a man in the back of the room favoring his right arm. Holy Spirit nudged me to go to Him after class. He is a Baptist pastor here locally and was happy to have me lay hands on his shoulder. I commanded spirits of bursitis and arthritis to go. For his muscles to be healed and for all pain to go. I asked him to raise his arm up and he was able to do it with little pain. He could not do that before. Prayed again and the rest of the pain left. He left with a smile on. Thank you Jesus.

Last month I was able to pray with a man who had had lung cancer for a long time. I had commanded the cancer to leave and for the lungs to be clear. He went back to his doctor and is cancer free. Praise God.

After the meeting a man came up to me with a bad cold. I put my hand on his chest and commanded the spirit of infirmity to go. Holy Spirit was all over both of us and we almost went over. Praise God.

Another woman pain in back and knees popping as she walked. Prayed twice with her and as she walked it out the popping ceased. Then another woman who was walking crooked. Back and legs. Commanded her hips to line up and her back to be healed. Told her she had a shorter left leg. She confirmed it. I had her walk over to a nearby chair for her to sit on. Her gait was normal and as I grew out her legs the left one grew one half inch right away. She felt it move. Praise God.

After church we went to a fund raiser at a local Elks Club, for a little girl with cancer for the second time. We were able to lay hands on her and command the spirit of cancer out of her body and for complete healing of her body. Thank you, Jesus.

Monday afternoon I was helping a woman with her tablet and she mentioned she had glaucoma. As I was leaving I was able to cast out the spirit of glaucoma and blindness and command her pressure be correct. Thank you Jesus for healing her.

Tuesday evening the group prayed for a woman recently diagnosed with cancer. They cast out that spirit and spoke total healing in her body. Another woman had macular degeneration. They cast out a spirit of blindness and command total healing in her eyes.

With repeated prayer the eyesight got better and better, Thank you Jesus.

Wednesday Morning i felt led to go to the computer club but when I arrived nothing was happening. I wondered what I was there for and then found out the the woman there for today was in pain in her left foot. Bone spurs and other issues. Also being treated for cancer in her left ear and on her nose. I grew out her left leg an inch and commanded arthritis to go and pain to leave. Had her walk a little and most pain was gone. A couple of more shots and she was pain free. Also cast out cancer and commanded all the cancer cells in her body to die. Thank you Jesus.

Monday evening a woman with back pain came up to me. Checked her legs and they were even. Had her stand and I placed my hands on her back. Commanded discs to be in place and for her back to be straightened and strengthened. For all pain to go. In the name of Jesus. All pain left. Praise Jesus.

At a hospital visiting an elderly woman and was able to pray with the woman in the next bed. She had an attack of diaphragmatitea. We bound Satan and command whatever was causing these attacks to be gone. In the name of Jesus.

Tuesday evening we prayed with two women over the phone. The first had parkinson's and was unable to walk and had trouble breathing. We bound that disease and cast it out commanding her legs to work and for her breathing to be restored. She was able to take deep breaths and got up and walked with assistance. Something she had been unable to do for a while. Praise Jesus! The other woman had swelling all over her body, bone spurs, and diabetes among other issues. We spoke to the swelling, the bone spurs, and the pancreas commanding a creative miracle in her body. Thank you Jesus for healing her completely.
