

Testimonies January 2017

Tuesday evening a man told us of cancerous tumors in his head we all laid hands on him and commanded cancer out and for the tumors to go. Afterwards he told us he felt like electricity going from one side of his head to the other. Wow.

Thursday morning a woman asked for prayer for high blood pressure. I commanded her blood pressure to be normal and for her heart to be strong and for the blood of Jesus to flow in her veins. A few days later she reported that her blood pressure was coming down. Praise Jesus.

Saturday morning a man came up for prayer because. He had a tumor on his lung that he was being treated for. I laid hands on his chest and commanded that tumor to go in Jesus name and he told me he felt tremendous heat in my hand as I had it rested against his chest. I assured him that was the holy spirits healing power going into him.

An older man who was having trouble with his legs and wearing those elastic socks up to his knees came for prayer. I laid hands on his knees and commanded those legs to be totally healed and for his circulatory system to be renewed, that the blood of Jesus was pouring through his veins and for all pain to leave. I asked him to walk a little and he said he knew something was happening because when I laid hands on his knees he felt a numbness go through both of his legs. Thank you Jesus for your healing power coming through us to others. Praise God.

Sunday morning a man told me he was fighting a cold. I looked at him and said no. In the name of Jesus we command the spirit of infirmity to leave. For this virus to be gone. It has no part of you. In Jesus name you are healed. He was overtaken by the Holy Spirit and went down in the spirit for a long time. Thank you Jesus.

Wednesday morning I overheard a woman speaking about pain in her knee and arthritis. I asked if I could pray for her and if I could put my hand in her knee. I commanded the spirit of arthritis out and for pain to leave. All pain left. She then asked me to pray for a friend with stage four cancer. We agreed in prayer and declared that the spirit of cancer was gone and that she was totally healed. In the name of Jesus

Saturday morning woman with pain back down left leg. One prayer all gone. Yay God

A man came for a touch. He was dealing with congestion. I commanded the spirit of infirmity out and for total healing in his lungs and his entire body. His breathing became free and God's glory was all over him. Thank you Jesus.

A woman came up to me that I had prayed for months ago because she had had cerous of the liver to tell me that her liver was completely healed. Praise God.

Tuesday evening a woman renounced the using of ouija board when she was younger and received a healing in her eyes.

Another man asked for healing of high blood pressure. And I got this note from Him the next day. "We went for checkups today and bp was normal. Has not taken meds for three days."

Wednesday evening a woman came up to me To tell me that I walked by her months ago and touched her shoulder and she threw her cane down and has not used it since. Praise God

A woman came to us with back pain for 27 years. As we continued to pray pain went from a 10 to a 2.

Woman in wheel chair. Pain in her left ankle result of falling off a motorcycle years ago. 14 year old daughter did not remember her ever walking, just crawling to get to and from her chair. After repeated prayer, all pain left. She got out of the chair and walked without pain.

Man came telling us he had seizures all the time. After some questions we discovered he had been dealing with epilepsy most of his life. We made sure he was a believer and then bound and cast out the spirit of epilepsy, commanded all damage to be repaired, and for seizures to no longer happen.

Man came with left calf pain due to pinched nerve in his back. I laid my hand on his calf and commanded the pinched nerve in his back to be freed and for all pain to leave. Had him walk a few steps and when he returned he was pain free.

Woman spoke of a damaged right rotator cuff pain. Commanded healing restoration and no pain. Had her raise her arm and it shot right up with no pain.

Man came depressed and with anxiety. Things were troubling him regarding the death of a brother and he could not let it go. We made sure he was a believer and then bound and cast out a tormenting spirit. Then we came against anxiety and depression. He also was dealing with an enlarged prostate making it difficult to urinate. Commanded that to be healed as well.

A woman had had a mini stroke recently and her husband had one a while ago that left him unable to remember things and without the ability to speak much, just with mumbles. Commanded total healing in both of them with full restoration of the damaged areas of the brain.

Woman came who had lumbar issue for years. Pain all the time. I placed my hand on her back and commanded the pain to go. She walked a few steps and most of the pain was gone. Two more prayers and after bending over she reported that there was no more pain.

Man with pain in knees, shoulder, back, and neck due to car accident. I placed my hands on his neck and commanded total healing in all the places he was feeling pain. When I finished all pain was gone. He had full movement of his neck, shoulder, knees, and back.

Saturday evening a woman who was hit by a semi seven years ago has been in constant pain ever since. We commanded that pain to go and as she walked forth all pain left her body.

Sunday morning I was able to pray for a man riddled with cancer in his colon. Commanded the spirit of cancer to leave and for his body to be freed from it.

Prayed also for young man who has been hit with something that is causing his right leg to shake often. His mother stood in for him as we told infirmity to leave his body.

And for a woman dealing with an undiagnosed issue. In addition to praying for healing I gave her a healing cloth and spoke a prophetic word over her life. Thank you to Jesus.

Called to minister to a woman at her house. Knees. Back spinal stenosis. Hip. Back pain. Right shoulder. Knee pain left. Hip and back pain gone. Able to raise arms much

higher after prayer. Cast out spirit of inheritance and words spoken over her as a child. Praise God.

Tuesday evening a woman had a knee that was giving her problem and a right eye that was not seeing as well as the left. I commanded healing in her knee as I laid my hand on her knee. Then I touched her eyes and commanded the spirit of blindness off of her and for perfect vision in her right eye. After a couple of times her right eye was greatly improved.

Another woman saw me praying for the couple next to her and asked if I would pray for her. She could not move her neck to the right. I laid my hands on her neck and commanded total restoration and in a few moments she had all movement back.

As I walked around to the front of the room I saw two women sitting together. I asked what I could pray for and one of them had been told she needed open heart surgery soon. I spoke a new heart in her and for her values and circulatory system to be flowing with the blood of Jesus. I believe she received that new heart. Praise God!

Prayed for one woman who was in fear of cancer which had been removed years ago coming back. We canceled the assignment of the enemy and spoke freedom from those thoughts and of any cancer getting back into her.

Prayed for a woman with lyme disease commanding it out of her system. And for two women being told they had MS. We declared them both free.

A woman was having pain when she breathed and I placed my hand on her and commanded total healing in her lungs and for whatever was causing the coughing when she breathed deeply to leave. When I asked her to take a deep breath, she was free.

Then the woman next to her was having similar issues and I commanded her lungs to be clear and clean and for her being able to breathe deeply. She also could then take deep breaths. Thank you Jesus.

Commanded the spirit of infirmity out of a man that has been sick and for his lungs to be clear and the sickness to be gone.
